## WINE AND CURRY?

The complex flavors of red wine don't play well with curries – they fight, and lose. Fruity whites – Riesling, Sauvignon Blanc, Pinot Grigio – are perfect. As is rose. The best pairing is a citrusy beer or IPA. Golden Road Brewing has three great beers that pair beautifully – Mango Cart, Pineapple Cart and Melon Cart. They're available at our local liquor stores, including Sunset Liquors next door.

## Can You Tame The Kraken?

Sautéed squid and Paradise Shrimp in a black squid ink sauce (packed with antioxidants and vitamins A and D!), spiced with cayenne, red curry and jalapeños, mixed with a shot of Kraken rum, and pineapple. How hot is six peppers? It's not ghost-pepper hot or sign-a-waiver hot, but it WILL hit the back of your throat and lead to scalp and under-eye sweats. 25 // // // //
